

About ESPID

Learn about the Society behind the Meeting

The European Society for Paediatric Infectious Diseases, ESPID, forms the basis for European investigators interested in infectious diseases in children and infection prevention in childhood.

The society is engaged in a number of activities including the organisation of multicentre trials, international exchange of infectious disease fellows and an annual Meeting. Membership includes subscription to the Paediatric Infectious Disease Journal in addition to many other benefits.

Applications for membership can be made online at www.espid.org or by contacting: admin@espid.org
