Sustainable Transportation Options from the Airport to the Venue

If you're looking for an eco-friendly way to reach the venue, there are several public transportation options available from Lisbon airport or train stations. Buses and trams are convenient and affordable, and they're also a great way to explore the city.

The closest bus stop to the congress center is Rua Junqueira (Centro Congressos). You can take bus 20, 714, 727, 732, 751, 756, or tram 15E, 18E, which all stop at this location.

To use public transportation, you'll need a green VIVA Viagem card. You can purchase this card for 0.50 EUR at the airport or from ticket vending machines and ticket offices. Once you have the card, you can load it with tickets in advance, which will save you time and money. The green card is valid on all public transport in Lisbon.

If you prefer, you can also buy your tickets on board, but this option is more expensive and can only be paid for in cash.

Conference Time

The Meeting will officially run on Western European Summer Time – WEST, UTC+1.

CME Accreditation

Additional information about CME/CPD Accreditation of this medical event will be located on the Conference website in due course.

Sponsorship & Exhibition

An exhibition will be held. See the Sponsorship & Exhibition page for more details regarding support.

Prescriber / Non-Prescriber

Support from pharmaceutical partners helps make this event possible. As such, it is important that we comply with the various codes and directives relating to the manufacturing, distribution, and marketing of pharmaceutical products. The European Union directive (2001/83/EC, article 86) provides guidelines relating to medicinal products for human use. Within these guidelines is the restriction that access to pharmaceutical product marketing activities must be limited to only those participants licensed/authorized to prescribe or supply medicinal products. All participants, with the exception of the exhibitors, are asked the following question during registration: Are you licensed/authorized to prescribe or supply prescription-only medicines?
